

| Number of specimens | Host                                                   | Country  | Reliability                                                     |
|---------------------|--------------------------------------------------------|----------|-----------------------------------------------------------------|
| 1                   | N/A / (Unknown) (None)                                 | Zimbabwe | F: no host data, fly ID confirmed or considered reliable        |
| 2                   | Sapotaceae / <i>Synsepalum brevipes</i> (None)         | Kenya    | A: reared material, fly ID confirmed                            |
| 10                  | Flacourtiaceae / <i>Dovyalis abyssinica</i> (None)     | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Rubiaceae / <i>Coffea</i> sp. (coffee)                 | Kenya    | D: associated material, fly ID confirmed or considered reliable |
| 2                   | Sapotaceae / <i>Chrysophyllum viridifolium</i> (None)  | Kenya    | A: reared material, fly ID confirmed                            |
| 2                   | Flacourtiaceae / <i>Rawsonia lucida</i> (None)         | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Sapotaceae / <i>Chrysophyllum gorungosanum</i> (None)  | Kenya    | A: reared material, fly ID confirmed                            |
| 2                   | Sapotaceae / <i>Englerophytum natalense</i> (None)     | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Annonaceae / <i>Monanthes parvifolia</i> (None)        | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Sapotaceae / <i>Chrysophyllum gorungosanum</i> (None)  | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Flacourtiaceae / <i>Rawsonia lucida</i> (None)         | Kenya    | A: reared material, fly ID confirmed                            |
| 2                   | Flacourtiaceae / <i>Dovyalis abyssinica</i> (None)     | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Annonaceae / <i>Monanthes parvifolia</i> (None)        | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Flacourtiaceae / <i>Dovyalis abyssinica</i> (None)     | Kenya    | A: reared material, fly ID confirmed                            |
| 2                   | Flacourtiaceae / <i>Oncoba routledgei</i> (None)       | Kenya    | A: reared material, fly ID confirmed                            |
| 5                   | Flacourtiaceae / <i>Dovyalis abyssinica</i> (None)     | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Sapotaceae / <i>Chrysophyllum viridifolium</i> (None)  | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Sapotaceae / <i>Chrysophyllum gorungosanum</i> (None)  | Kenya    | A: reared material, fly ID confirmed                            |
| 50                  | Flacourtiaceae / <i>Dovyalis abyssinica</i> (None)     | Kenya    | A: reared material, fly ID confirmed                            |
| 3                   | Sapotaceae / <i>Chrysophyllum viridifolium</i> (None)  | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Sapotaceae / <i>Chrysophyllum gorungosanum</i> (None)  | Kenya    | A: reared material, fly ID confirmed                            |
| 9                   | Flacourtiaceae / <i>Dovyalis abyssinica</i> (None)     | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Sapotaceae / <i>Englerophytum oblanceolatum</i> (None) | Kenya    | A: reared material, fly ID confirmed                            |
| 1                   | Flacourtiaceae / <i>Oncoba routledgei</i> (None)       | Kenya    | A: reared material, fly ID confirmed                            |
| 4                   | Rosaceae / <i>Malus domestica</i> (apple)              | Tanzania | D: associated material, fly ID confirmed or considered reliable |
| 2                   | N/A / (Unknown) (None)                                 | Tanzania | F: no host data, fly ID confirmed or considered reliable        |
